Date 08-08-2016

CIRCULAR

As required by the law as well as our in-house policy, Anti-Ragging Committee has been constituted comprising members as shown under. The committee is entrusted with the responsibility of monitoring the student activities in relation to Ragging and other related matters with regard to the first year students in the campus and the hostels. Any indiscretions observed by the committee should be dealt with and brought to the notice of all the concerned immediately. The first year students are hereby duly notified to contact any of the following committee members in case of any emergency related to ragging.
