Dear Students,

ಎಲ್ಲರಿಗೂ ಸಮಸ್ತಾರ್ಥ.

Welcome to the MicroDegree family. We're glad to have you on-board.

You've now been enrolled to 6 programming courses such as Python, JavaScript, C, C++, Java, PHP on the platform.

Enrolment details have been shared over the email, kindly login using the link and visit your Dashboard to learn these courses.

If you're new to Coding/Programming we recommend you to start with "Python" and "MySQL" course, as it helps you enter into IT Services companies such as Infosys, TCS etc.

And if you're comfortable with Coding, then we recommend you to learn "JavaScript" course as it has high job-demand across product companies and startups.

Meanwhile, we request you to join our "Telegram Developer Community" to get your technical doubts clarified and frequent job updates.

Dear Prof. Dr Kiran,

- Prof, as your are aware 5 sets of 1374 students have been bulk registered from June 2021 to Sep22. We sincerely request to instruct all learner who have registered to Springboard be it self-registered or bulk registered to ensure that the STATE,CITY and EDUCATIONAL INSTITUTION NAME to be corrected in the edit profile session when the learners login to Springboard.

- The incorrect analytics is because the learners haven't corrected the details. Please instruct them to type the first three letters of STATE, CITY and EDUCATION INSTITUTE NAME and select from dropdown to get the correct analytics. Also request to please let us know if you are able to track the learning analytics with the SPoC id created i.e. spoc.kit.headstart@gmail.com

- Secondly, 506 students have completed Basics of Python course, request to instruct them to take up Python Foundation Certification: TOC - Python Foundation Certification | Infosys Springboard (onwingspan.com).

We are obliged for the support. Hoping to get the same support going forward.

Dear Placement Officer,
Warm Greetings from Rinex Technologies Pvt. Ltd!

We, Rinex Technologies, are excited to put up this proposal to your College for **Campus Recruitment Drive**.

RineX believes in the motto "Learning never stops". Hence, we have created one of the finest E-learning platforms, providing in-demand courses from all the domains of engineering. We would love to mention that it is a collaborative project where we got Microsoft, Autodesk, IBM, Google, Cognizance IIT Roorkee and many more renowned institutes as our partners. We are also looking to advance the careers of our students, hence we have arranged the Microsoft Certified Fundamentals exam facilities. On the other hand, convenient batch schedules, competitive pricing and industry leading mentors have made our project unique and successful.

We want to discuss the schedule of the interview procedure and the terms & conditions of the placement. We are aiming to secure capable graduates and train them to exceed their limits.

For further details, kindly reach us at placements@rinex.ai or call us at +91 8147058370 / 8951424081

Thank you for your time and consideration.

We are looking forward to seeing your sole co-ordination for the cumulative growth of your association with a successful recruitment drive.

Also, note that both 3rd & 4th Year Engineering (2022, 2023 & 2024), Bachelor's and all Master's students are eligible for the said role.

Kindly find the attached JD below.

Cadmaxx Profile.pdf

Dear Sir,

Greetings from Cadmaxx Edtech!!!

As discussed, we would like to conduct a Talent Hunt drive in your esteemed organisation to meet the resource requirements from our clients. The selected candidates would undergo 3-4 months of rigorous training on **Embedded Systems**. Upon successful completion of the training, the candidates would get a chance to work with our subsidiary companies (Actevia, Cadmaxx Solutions Pvt Ltd) or esteemed clients.

The selection criteria for the talent hunt drive will have the following process and all rounds would be conducted on the same day.
