KIT, Tiptur

Respected Sir,

Sub: Requesting for conducting one day workshop on "Gamification" for 2nd Semester students on 17/04/2018

With reference to the above subject, we would like to organize one day workshop on Gamification that is application of conceptual knowledge - key for business. Which helps the students to take decision in a simulation to reflect real time decision making.

Objectives:

1. Bridge in the gap between industry expectations of our students.
2. Understanding the importance of activity base experience learning
3. A refresher program that will rejuvenate students.

I kindly request you to grant me the permission and do the needful.

Gamification workshop

What is Gamification

Application of Conceptual knowledge is the key for any business decision to succeed. Today B- Schools teach concepts but from an application perspective the main tool used is case studies on how various companies took decisions. This is a method of Learning from others.

B schools today will love a Tool/ Aid that can help students take decisions in a simulation to replicate real time decision making of businesses.

Here is where **Cool Guru LLP** can help set up a **Business Laboratory** at very economical cost.

We propose to conduct a workshop for faculties on how they can use Gamification to engage with their students.

Objectives of The training

- Bridging the gap between Industry expectation of a student
- Understand the importance of activity based experiential learning
- A refresher program that will rejuvenate Students

The training will be for 2 day (6 hour duration)

The program will be delivered through a combination of Concept based Games and Interactive Sessions.
