Department of Mechanical Engineering

Ref. No: KIT/MED/022/2020

3rd July, 2020

To,
The Principal
KIT - Tiptur

Respected Sir,

Sub: - Bill Settlement of Advance amount **Rs. 6000/-** towards one day workshop for Diploma students.

With reference to above cited subject, I here with submitting the bills towards the advance amount of Rs.6000/- (Ref: KIT/MED/011/2020 Dated on 24/02/2020).The details of expenditure bill details are mentioned below:-

Sl. No	Bill No.	Amount in Rs.
01	265	2000
02	2541	999
03	89184	500
04	8052	260
05	1617	220
06	V1	531
07	V2	1490
Total Expenditure in Rs. Six thousand only		6000/-
Advance amount received in Rs. Six thousand only		6000/-
Balance Amount in Rs.		Nil

Thanking you,

Yours Sincerely,

HEAD OF THE DEPARTMENT
DEPT. OF MECHANICAL ENGINEERING
KIT - TIPTUR - 572202.

Respected Sir,

Sub: Requisition to sanction of Rs. 6000/- towards **One day Workshop for Diploma Students on 27th Feb 2020.**

With reference to above cited subject, the department of Mechanical Engineering is conducting **One day Workshop for Diploma Students 3 D printing and Overhauling of IC Engine, 27th Feb 2020.**

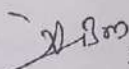

The detail expenditure of above said workshops are listed below.

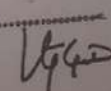

Sl. No.	Particulars	Approx. amount in Rs./-
1	Certificates	3000/-
2	Beds & pillows	3000/-
Grand total (Rupees six thousand only)		6,000/-

Kindly give the permission to conduct the above said event and do the needful.

Thanking you

Yours sincerely

Kalpataru Institute of Technology

(Affiliated to VTU, Belgavi and Recognized by AICTE, New Delhi)

B.H.Road, TIPTUR-572 201, Karnataka,

Ph: 08134-251267, Fax No: 08134-251939

About Tiptur

Tiptur is a Taluk and sub-divisional headquarters in Tumakuru District, Karnataka. It is situated along Bengaluru -Honnavar National Highway No. 206 at a distance of 142 km from the state capital Bengaluru. Tiptur has supposedly got its name from the word 'Tipatala' which means dried coconut/copra. Kalpataru Vidya Samsthe (KVS) plays a key role in catering to the needs of learners in and around Tiptur

About Organizing Institute

Kalpataru Institute of Technology (KIT) is a part of KVS. KIT was established in 1986 with a view to provide technical education to the rural youth. The college is affiliated to Visvesvaraya Technological University, Belgavi and is recognized by All India Council for Technical Education (AICTE), New Delhi. The 28 year old college has an excellent team of qualified, experienced and dedicated faculty members with the entire required infrastructure. The college campus is located on the outskirts of the town at a distance of about 2 km. from Railway station and Bus Stand.

About the Department

The department was established in the year 1992 with an initial intake of 30 which further was enhanced in two stages to 60 first and then to 120. The department is currently headed by **Dr. B M Viswanatha**, Professor & HOD. The department is in optimum demand since its inception to till date.

The department has well experienced, highly qualified and committed faculty members. The department has 4 Professors with Ph.D degree. The Department has research center recognized by VTU Belgaum and Tumkur University. Many faculties are pursuing Ph.D in Department of R&D Center. The Research and Development department has received Rs. 20 lakhs grant to setup Tribological study research laboratory and Rs. 30 lakhs grant to set up Energy Conversion Engineering research laboratory from VGST Govt. of Karnataka. The department organizes symposiums, workshops and seminars under Mechanical Engineering Association (MEA) every year.

About 3D printing

3D printing is an additive manufacturing technology. Product designers can instantly create functional products and prototypes without any design constraints compared to other conventional manufacturing techniques. The applications of 3D printing are numerous, and growing more efficient. Innovative learning processes are clearly of them. Indeed, as students, creating their own 3D printing projects learn many things, from project management to technical skills.

Moreover, these kinds of workshops give students a real **hint** of what his professional life could look like, giving them practical skills, which differ a lot from what conventional theoretical lessons can bring them. 3D printing can be used in many educational fields. For example a biomedical engineer can design a custom made prosthetics or convert CTDICOM models into real time 3D models helping surgeons and radiologists pre-plan or practice surgeries.

A Mechanical engineer can design, validate and develop his concepts like gear mechanisms and many other mechanical parts

About Overhauling of IC engines

While operation, engine will have normal wear and tear based on operation practices, load pattern and duration of operation.

An overhauled engine is one that has been removed, disassembled, cleaned, inspected, repaired as necessary and tested using factory service manual approved procedures. The procedure generally involves honing, new piston rings, bearing gaskets and oil seals.

Eligible Participants

Faculty from Dept. of ME, B.E and Diploma.
Final year and Pre final year students from Dept. of ME,

Feedback Form Of One Day Workshop On 3 D Printing And Overhauling Of IC Engine

Name :

College :

Please select the appropriate ratings on how you strongly agree or disagree with the following statements about the workshop on 3 D Printing And Overhauling Of IC Engine. Your feedback is highly appreciated. Please give response that truly reflects your opinion.

Aspects of Evaluation	1 Very Good	2 Good	3 Poor
1. Opinion about the hospitality and accommodation.			
2. Opinion about the Presentation.			
3. Opinion about the demonstration 3 D Printing And Overhauling Of IC Engine.			
4. The programme experience has enhanced my knowledge			
5. I look forward to participating in the next event/ workshop organized by the college			
6. Discussion points of each session were relevant and educative			

Are you interested for higher studies?

Yes

No

Comments/Suggestions on the Overall Programme
