Subject: Financial Literacy on Mutual Funds for Students - A Guest Lecture

To: <mshekhara Gowd@gmail.com>

Cc: soumya r <soumya@finsafe.in>

Dear Sir,

As discussed, I am writing with regards to the Sponsored session by Mutual Fund organisation on financial education programs for students, under their Investor Awareness initiative.

We have a 45 minutes to 1 hour program delivered on webinar by a financial expert. The program focuses on the need for saving, how to start investing and investment products mainly focussing on basics of mutual funds.

The program would be free for the students. However, we would need the help of the college management to socialise the program and ensure attendance for the sessions.

Below are the requirements from the sponsors, which are required as per SEBI guidelines and for audit purposes.

- 1) Minimum 50 participants
- 2) Participants list along with email id and contact number needs to be provided
- 3) Photographs showing participants' names would be taken during the session

We can set up the webinar through Cisco webex platform and manage the entire show.

As discussed, will send out a link and invite which can be circulated among the students for registration. Once registered, the students would receive an email with the final link to join the webinar.

Look forward to hearing from you.

With Warm Regards,
Suhasini
Service Manager
