BUSINESS INCUBATION MUTUAL AGREEMENT

This Memorandum of Understanding (MoU) is signed on this **26th** day
of **June 2023** (the "Effective Date") by and between:

Indian Council of Agricultural Research- National Institute of Veterinary Epidemiology and Disease Informatics (ICAR-NIVEDI), address at Ramagondanahalli, Post Box No. 6450, Yelahanka, Bengaluru, Karnataka 560064 a constituent unit of the Indian Council of Agricultural Research (ICAR) through its authorized representative from **NIVEDI's Agribusiness Incubation Centre for Animal Husbandry and Veterinary Services** hereinafter referred to as "**NaaViC**" (which expression shall unless repugnant to the context means and include its legal representatives, successors, and assignees), **as the First Party.**

AND

Kalpataru Institute of Technology, National Highway 206, Vidya Nagar, Tiptur, 572201 Karnataka, India **as the Second Party.**

WHEREAS:

A. **NaaViC** is the brain child of **National Institute of Veterinary Epidemiology and Disease Informatics (NIVEDI)** working towards the promotion and development of entrepreneurship in the Agriculture and Allied sectors. It is the only Incubator in Southern India that is catering to the needs of Start-ups & Idea Stage Entrepreneurs working towards Livestock Diseases Management thereby caring for the country's animal health.

B. **Kalpataru Institute of Technology** was established in 1986 with a view to provide technical education to the rural youth & serve the rural people by providing technological support. The Institute is affiliated to Visvesvaraya Technological University, Belgavi and is recognized by All India Council for Technical Education, New Delhi. The Institute comprises of Computer Science & Engineering, Information Science & Engineering, Mechanical Engineering, Electronics & Communication, Civil Engineering, Master of Business Administration and Pure Sciences departments.

1. Objectives:

- 1.1 Both the Parties shall collaborate on Business Incubation of Startups and Ideapreneurs to nurture Agripreneurship **ecosystem** in the areas of **Information Technology**
- 1.2 Both the parties shall promote Startups and Ideapreneurs to utilize the **Facilities and Infrastructure** of the respective institution at a consensus rate under the Institution Guidelines.
- 1.3 Both the parties agree for the facilitation in **Capacity Building Programs such as Start-up workshops, Lecture series, Boot-camps, Live events, Certificate Programs** for nurturing Start-ups and Ideapreneurs in different areas of Business and Technical Innovations.
- 1.4 Both the parties shall make their Mentor Pool available as per request in the specific subjects and focus areas for **Technical and Business Mentoring** to start-ups and Ideapreneurs.
- 1.5 Both the parties shall facilitate in building **Network and Linkages to develop entrepreneurship ecosystem** for bolstering the Start-ups and Ideapreneurs, from Idea to commercialization.
- 1.6 Both the parties shall facilitate to provide **Advisory Services** related to Agribusiness and Agri-Entrepreneurship.

2. Tenure of the Agreement.

This Mutual Agreement is non-binding, and is an initial step of hand-holding between the two institutions to understand each other's capacities and shall work towards the upliftment of the Start-up Ecosystem. This agreement shall stand valid from **26-06-2023** to **25-06-2026**, the commencement date for the collaboration which shall be decided by both parties in writing pursuant to this framework agreement and after execution of the Agreement.

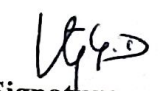

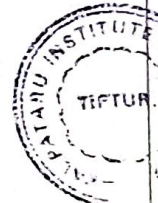

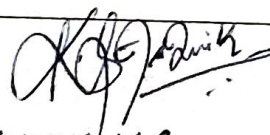

This MoU has been executed in two original copies. The original copies are been circulated between the two parties. Each of which shall be deemed to be an original.

In witness whereof, parties hereto have signed this Mutual Agreement on the date and year mentioned hereinbefore by their respective duly authorized officers.
