(hereinafter referred to as “**Institution**”, which expression shall expressly include its legally constituted signatories, assigns, successors and officers duly authorized to execute such MoU) OF THE SECOND PART

Institution and TalentSprint are hereinafter collectively referred to as “**Parties**” and individually referred to as “**Party**”.

WHEREAS,

1. TalentSprint brings transformational high-end and deep-tech learning programs to young and experienced professionals. The Company’s digital platform offers a hybrid onsite/online experience to seekers of deep technology expertise. The Company partners with top academic institutions and global corporations to create and deliver world class programs, certifications, and outcomes. The Company is an Innovation Partner for the National Skill Development Corporation (an arm of the Ministry of Skill Development and Entrepreneurship, Government of India).
2. Kalpataru Institute of Technology was established in 1986 with a view to provide technical education to the rural youth. The college is affiliated to Visvesvaraya Technological University, Belagavi and is recognized by All India Council for Technical Education (AICTE), New Delhi. The UG courses offered are CSE, ISE, ECE, Mech & Civil engineering. PG courses include MBA & MTech (Machine Design, VLSI & Computer Science Engg). The 34 years old Institute is equipped with all the required infrastructure, details of which are available at <http://www.kittiptur.ac.in> (website).
3. TalentSprint has launched TalentSprint Centre of Excellence(TSCOE), an initiative which aims to provide exposure to college students on the emerging industry needs.
4. The Institution has expressed its desire to launch TSCOE in their Institution.

Now therefore, in consideration of the understanding hereinabove, both parties enter into this Memorandum of Understanding with relationship terms and conditions brought forth herein.

1. Term:

This MoU shall be effective from execution of this MoU and continue for a period of **five (5) Year** from the date of its execution. The MoU may be extended by both parties in writing. Any written MoUs altering the term and/or conditions of this MoU must be reviewed and approved in advance by both parties. The term of this MoU shall be applicable to each applicant student, *mutatis mutandis* during the term of such course that the said applicant has enrolled for.

2. TalentSprint Deliverables to Institution:

The Institution which becomes a TSCOE member will enjoy various complementary and premium programs offered by TalentSprint either on its own or in association with corporations or institutions from time to time. Programs are brought out in Annexure 1 which is effective June 1, 2020 and may be amended from time to time.

3. Institution Deliverables to TalentSprint:

Institution will, as part of setting up the TSCOE, offer the following:

- a. Register their students on the TalentSprint COE platform to enable them access content of the complementary programs
- b. Position TSCOE and its brand in their campus as mutually agreed upon
- c. Showcase various opportunities available to the students from time to time as mutually agreed upon
- d. Participate in launching Premium programs from time to time as mutually agreed upon

4. Commercials

There are no commercials to be a TSCOE member. However each of the Programs and Services may have its commercials.

IN WITNESS WHEREOF, this MoU is duly executed on the day, month and year first herein above written in the presence of:

Rain water harvesting

In Kalpataru Institute of Technology-Tiptur campus rain water harvesting system is in use. Roof top to rain water is collected in underground sump. This water is used for the watering the campus garden. The rain water flowing in the campus area is diverted towards the bore well. For the bore well recharging system is implemented so that rain water recharging will increase the yield of the bore well.
