# Guidelines for **Pre-Final year students**

Training & Placement cell KIT, Tiptur

# HEAR FROM YOU...!

- How many of you are clear about your STRENGTH?
- What about your WEAKNESS?
- How many of you are serious about JOB, HIGHER STUDIES, ENTREPRENEURS?
- How many of you are sure to clear the PLACEMENT DRIVES?
- What are your expectations from the session?
- Asking questions is important (pre-placement)

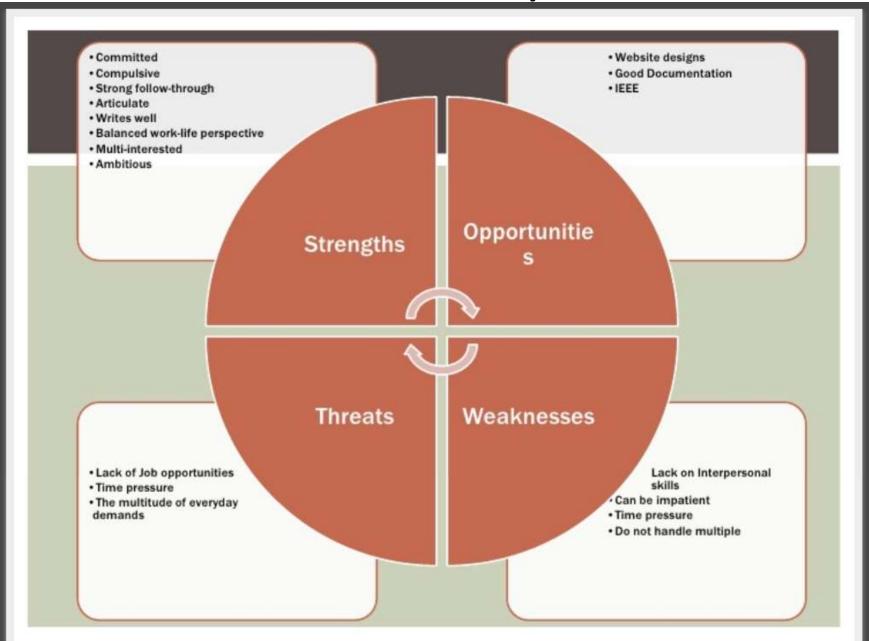

### WATCH THE BODY LANGUAGE

- First impression is important
- Allow time to relax
- Dress code
- Entrance, Introduction & Handshake
- Smile and make EYE contact
- Be aware of own movements (Eye)

# Not attending the Placement drive

- . On campus (less competition)
- . Off campus (more competition)
- . After degree (huge competition)

# **SWOT Analysis**

## Placement drives - 2020

# Infosys (3 opportunities)

#### INFYTQ

- No % criteria
- 2 opportunities
  - Certification
  - HackWithInfy

#### VTU drive

- September/October 2019
- Percentage criteria
- Aptitude/ Verbal/ Paragraph etc

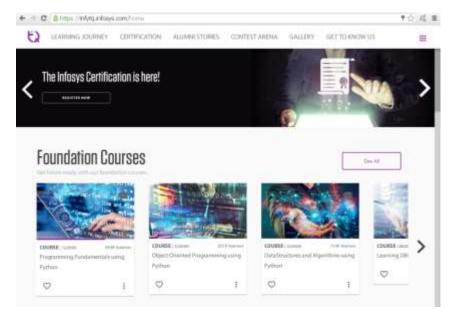

#### INFYTQ Certification

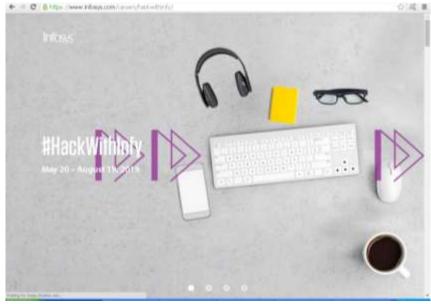

- No % criteria
- Python
  - Have requested Bhavana madam for classes on 9<sup>th</sup> & 10<sup>th</sup>
- Register using app
- Practice 4 modules in the app (120+ hours)
- Date of online test & place will be announced later
- Don't select places which are very far and later don't change places
- 65 shd be scored out of 100 (20+20+60)

# **INFOSYS**

#### Certification

#### HackWithInfy

## **A RESUME**

- Is the first meeting between you and the interviewer
- Tells a GREAT deal about YOU.
- So remember that "First impressions are lasting ones..."
- Convince the interviewer that you are worth an interview
- Keep as brief as possible without sacrificing essential qualifications.
- You achieve the greatest possible positive effect when you share the right information in an easy-to-read format that looks professional.
- Email keep it professional
- NO errors (c, Ms, spelling, alignment, copying)
- Do not Fold resume
- Never use "I", "ME", "MY", "OUR"
- Include specialty (NPTEL, extra curricular, sports, hakathon, conferences, internship details etc)

# Key to Success

- Reasons for less success
- Keeping notifications off
- Not reading & understanding properly
  - Mock test
  - Resumes
  - Attire
- Bulk recruiters
- Keep target companies (Prepare as if that's the end)
- Learn basic C programming (Technical & Coding skill)
- Importance of Internships (Some ECE students done I guess)
- Research about organization
  - Websites, reports, articles, company literature, etc
  - Contacts with knowledge of organization or sector
  - Relevant articles in the press
- Feedback from companies

### WHAT CREATES A BAD IMPRESSION (Failure)

- Poor personal appearance
- Negative attitude evasive (tending to avoid COMMITMENT), Excuses
- Lack of confidence, interest and enthusiasm
- Lack of preparation
- Poor knowledge of role
- Lack of career plan
- Lack Of Clarity (Is Not Only Exhausting For An Interviewer But It's Also Frustrating And Irritating)
- VAGUE And DISHONEST ANSWERS Are Common Practice In An Interview Situation, And Employers Know It ...

# Google form

- If placements @ KIT
- If pool campus
- If VTU drives

# JV Global training

- 5<sup>th</sup>, 6<sup>th</sup> & 7<sup>th</sup> training
- 8<sup>th</sup> specific training for TCS eligible students

# Python

- Training from Bhavana madam
- After registrations only (Interested students)

# **INTERNSHIP**

- ABC
  - They have 3 modules
  - Internship + training + placements
  - If interested can call for presentation on 9<sup>th</sup> July
- DLITHE
- MECH students
  - 3D printing in department
- TechFortune
